## Autoclave Training Record

When you are ready to use the autoclaves, please have someone in your lab or Kristen B. show you how they operate. These are high pressure and high temperature machines and each of the four are a little bit different. After you have been trained and you feel comfortable using the autoclaves by yourself, please initial for each below and sign off. Have your trainer sign off and return this form to KB.

\_\_\_ Primus digital autoclave

\_\_\_ Small Consolidated autoclave

\_\_\_ Large Consolidated autoclave

\_\_\_ Market Forge autoclave

I have been trained on the correct use of these autoclaves and will ask for help if I have any questions in the future

Trainee \_\_\_\_\_ Print Name \_\_\_\_\_ Date \_\_\_\_\_

I have trained the above signed on the safe use of these autoclaves
